Other related cost and services:

Cost of transportation to and from Spokane International Airport to of outfitting lodge where hunt is contracted to begin is NOT included. A round trip pickup and drop off at Spokane International Airport may be scheduled with us for \$480.00. Big game tags, licenses, lodging, hotels and meals caused by weather conditions and delays, and costs from scheduled or early departures requiring special transportation are also not included. All trophies will be field dressed, cleaned and salted before being delivered to the airport, expeditor or local taxidermist. You are responsible to cover all costs of preparing your trophies for shipping.

3 Heart Outfitters also provides taxidermy services with many years of experience.
